- The Friends of Cambridge Athletics (FOCA): volunteer group of parents working with and supports the CRLS Department of Health, Physical Education and Athletics and coaches.
- FOCA is a nonprofit (501 C3) and organizes the Fall fundraising event, the Walk-a-Thon, which will be held on the weekend of the Head of the Charles Regatta. Therefore the Crew team is doing their part—an Erg-a-thon—earlier in the season.
- \$25 of the money raised by each athlete (or 25% if less than \$100 is raised) goes into FOCA's Program Development Account. Every additional dollar raised goes to the athlete's team.
- Through its Program Development Account, FOCA funds scholarships for CRLS student / athletes, and awards grants to CRLS teams.

- Donations are due the day of the event. Bring the forms and money in the envelope to the event.
- **Check should be made out to FOCA/CREW**
- Target minimum levels:
 - New Rowers \$75
