

Racing at Brooks School

Launching

- Blades can be placed on shore between ramps.
- Bowballs and heel ties should be checked by coaches prior to launching.
- Please walk boat along access path to the right of treeline (NOT down the steep hill)
- Stern first down right-hand ramp; launch bow in direction of the start
- Travel along the near shore for 250m, staying clear of Lane 1. AVOID ROCK.
- At 1250m mark, proceed across race course avoiding any race underway
- Report in at warm up area and proceed in clockwise pattern leaving marks to starboard.
- Proceed along shore to start getting in your lane 5 mins before your race.

Launching, Warm-Up and Race Course

- Starting Line is marked by small buoys separating lanes.
- Lane 1 is closest to the boathouse as shown
- Large buoys at 500m, 1000m and 1250m. You must stay in your lane.
- Finish line is two vertical white buoys at the outer edge of the course.
- Unless otherwise specified, the starting command will be **“Attention, Go”**

Coxswain point from start

Returning to Dock

- Proceed 10 strokes before turning. Return facing the start. Use return ramp and hill.
